

2023 IMPACT REPORT

ABOUT FAF: OUR MISSION

Fur-Angel Foundation is a 501(c)(3) non-profit dog rescue based on the island of Oahu. The foundation was established in October 2014 by a small group of friends with a passion for helping the community, while also making a difference in the individual lives of animals and people.

Fur-Angel Foundation operates within a foster network of trusted volunteers that share the same passion in giving dogs a chance at a life full of love. Through daily interaction with their foster family, FAF dogs receive indirect training, as well as lots of personal attention to help rebuild the trust that is often broken in rescue animals.

We are honored to be considered as an alternative to the traditional shelter, offering our dogs experience with socialization and life-skills which help ease the process of transitioning into a fur-ever home.

FROM OUR EXECUTIVE DIRECTOR

Happy New Year! As we bid farewell to 2023, I want to take a moment to express my heartfelt gratitude for your unwavering support and dedication to our mission of rescuing and caring for dogs in need. Together, we've accomplished incredible milestones, and your compassion has made a significant impact on the lives of our four-legged friends. In 2023, we witnessed countless heartwarming stories of rescue, rehabilitation, and adoption. Each success story is a testament to the resilience and spirit of these wonderful creatures, and it is because of your generosity that we can continue to provide them with a second chance at a loving home. As we step into 2024, let us carry the lessons and achievements of the past year with us. Our commitment to the well-being of these rescue dogs remains unwavering, and I am excited about the possibilities that the new year holds for our organization. With your continued support, we can amplify our efforts, rescue more dogs, and create even more success stories. Together, we are making a difference, one paw at a time. Thank you for being a crucial part of our journey. Here's to a compassionate and fulfilling 2024, where we continue to transform the lives of our beloved canine companions. Wishing you and your loved ones a joyful New Year!

Warm regards
Tiffany

PIXIE FINDS HER FUREVER HOME

Pixie came to us as a transfer from HHS. She had been in terrible shape, with multiple bullet wounds and the inability to walk like a normal pup. After extensive rehab she has grown into a happy, lovable pup! Pixie's trademark is her soft bark that sounds just like a zebra - it's very unique, and matches her to a T. Despite all she has been through, Pixie is the happiest little girl - and an absolute speed demon on wheels! It's been a privilege to watch her grow in confidence since her rescue, and a pleasure to see how she now charges into life, full of sass.
