# ABOUT FAF: OUR MISSION

Fur-Angel Foundation is a 501(c)(3) non-profit dog rescue based on the island of Oahu. The foundation was established in October 2014 by a small group of friends with a passion for helping the community, while also making a difference in the individual lives of animals and people.

Fur-Angel Foundation operates within a foster network of trusted volunteers that share the same passion in giving dogs a chance at a life full of love. Through daily interaction with their foster family, FAF dogs receive indirect training, as well as lots of personal attention to help rebuild the trust that is often broken in rescue animals.

We are honored to be considered as an alternative to the traditional shelter, offering our dogs experience with socialization and life-skills which help ease the process of transitioning into a fur-ever home.

# FROM OUR EXECUTIVE DIRECTOR

Aloha!

As we close out 2024 and step into 2025, I want to take a moment to thank each of you for your unwavering support of Fur-Angel Foundation. This past year marked a significant milestone for us—our 10th Anniversary! A decade of dedication, compassion, and collective effort to make a difference in the lives of animals in need.

Looking back on 2024, we are proud to share that 131 animals found safety, love, and new beginnings through our rescue efforts. Each story, from the smallest puppy to the most senior dog, is a testament to the incredible power of community. Together, we celebrated adoptions, cheered for medical recoveries, and witnessed the transformative power of love and care.

Our 10-year Fur Ball Gala was a shining highlight, bringing together supporters, sponsors, and volunteers who have made this journey possible. It was a moment to honor our past, celebrate our achievements, and look forward to a future where even more lives are saved.

As we move forward into 2025, we are filled with hope and excitement for what lies ahead. This year, we will continue to grow, expand our outreach, and help more animals in need. Whether through fostering, adopting, donating, or simply spreading the word, we hope you'll remain part of our Fur-Angel Foundation ohana.

From the bottom of my heart, thank you for being on this journey with us. Together, we've created a legacy of love and care that will carry on for years to come. Here's to a bright 2025 filled with compassion, connection, and countless wagging tails!

## NEZUKO GETS A GLOWUP

Nezuko, formerly Megumi, was found at a homeless camp in horrible condition. She had no fur on her body and was suffering from one of the most severe cases of demodex mange we have ever encountered. After extensive medical intervention, and lots of TLC, she has blossomed into a beautiful, confident pup. We have no idea what her previous life was like, but we can assure you that her new life is wonderful!

“

*“I remember the day that I first brought her home. She was shy, scared, and so unsure. Now I see her walking around like she owns the place. She’s confident and happy, and sometimes mischievous, but I wouldn’t have it any other way, because I know that she feels safe. She’s such a brave girl. After everything that she’s been through, I’m so incredibly lucky to be able to give her everything she could ever want.”*

# FUR-ANGEL FOUNDATION CELEBRATES

## A REMARKABLE DECADE RESCUING LOCAL PUPS

Our 10th Anniversary Fur Ball Gala was an unforgettable evening celebrating a decade of rescue, love, and second chances! Held at the beautiful Sheraton Waikiki on November 2, the night was filled with heartfelt stories, incredible supporters, and a shared passion for saving lives.

From a touching look back at our journey to exciting auction items and generous sponsors, the event highlighted how far we've come—and how much more we can do together. Every dollar raised helps us continue rescuing, rehabilitating, and finding loving homes for dogs in need.

Thank you to everyone who attended, donated, and supported this milestone event. Here's to the next 10 years of making a difference!
